- Break out of your daily environment & spark new ideas
- Unparalleled range of thought-provoking presentations
- Gain new ideas & learn from others

JOIN THE HOUSING TECHNOLOGY COMMUNITY

- Find new ways of doing things
- All the housing IT suppliers under one roof
- An excellent perspective on future IT trends in housing

Housing Technology 2019
6-7 March 2019 | Oxford Belfry

housing-technology.com
conference@housing-technology.com

Welcome

Housing Technology 2019, our tenth annual conference and executive forum, is now the leading and longest-running technology event for senior IT influencers and business decision-makers in the UK social housing sector.

No other event brings together so many influential and senior IT practitioners in one place.

Housing Technology 2019 combines two days of informal networking with 300+ senior housing professionals, thought-provoking presentations from housing providers and IT suppliers, and a dedicated sponsor and exhibitor area at the heart of the event.

Our annual event returns to the Q Hotels' Oxford Belfry on 6-7 March 2019, with a pre-event evening reception on 5 March 2019.

If you want to learn more about how technology could transform your operations and your tenants' lives, you should be at Housing Technology 2019.

GEORGE GRANT
Publisher and Founder,
Housing Technology

100% relevant to you

Housing Technology's IT and business presentations will focus on the following core topics:

BACK TO BASICS
How should housing providers use their core 'traditional' IT components (applications, infrastructure, etc) to ensure a solid foundation for future growth?

INNOVATION & THOUGHT-LEADERSHIP
How are HAs using IT in original, innovative and even counter-intuitive ways?

BEYOND HOUSING
What IT/business applications & processes have HAs copied/used from beyond the social housing sector (i.e. retail, telecoms, banking, etc)?

CONNECTED TENANTS
What does 'digital inclusion 2.0' look like?

CATALYST OR ENABLER
Should IT drive HAs' business plans or vice versa?

FUTURE HOUSING
What does the future state of HAs' IT estate look like?

Two days of thought-provoking presentations...

Aareon
Chatbots & drones - The future of tech for social housing

Accent Group
Do your projects use colourful language?

Natural History Museum
Creating the technology vision

Northgate Public Services
COTS vs. ERP vs. DIY vs. Hybrid (Panel Debate)

Nottingham City Homes
Hold fire on new procurements! Making the most of what you already have

Optivo
The digital tenant - On-boarding by default

Orchard
The HMS of the future

Acutance Consulting
Managing suppliers in the 'deer park' of integration

Adur & Worthing Councils
Build vs. buy: the low-code compromise

Amazon Web Services
Housing in the clouds

Castleton Technology
100 per cent IT integration in housing

CHP
Focusing scarce IT resources to enable future performance

Pobl Group
Data beats software hands down!

PowerObjects, an HCL Technologies Company
Limitless delivery - Beyond the boundaries of housing

Rackspace
Housing infrastructure 2.0

Radian Group
The pain of becoming Agile

Rapid Information Systems
Low-code - One tool to join them all

Civica
Assessing the cloud: crucial, costly or chancy?

Cloud Dialogs & R3 Repairs
Towards zero admin

ForViva Housing
Form follows function

Gas Tag
First-time fixes and protecting your properties

HAC Housing Consultancy
Is IT a catalyst or an enabler?

Redkite CRM
The most advanced HMS - Redkite's solution for Microsoft Dynamics

RHP
#Reimaginehousing - re-imagine & redesign: the creation of the housing provider of the future

Salix Homes
Rethinking Housing with Salix Homes

Smartline (University of Exeter & Coastline Housing):
A smarter approach: using data to improve services & better serve communities

Solihull Community Housing
Should your IT strategy ever drive your business strategy?

Housing & Care 21
Rethink your core applications to foster new ways of working, improved workflows and more streamlined operations

Itica
Never mind the KPIs, feel the experience!

Midland Heart
Low-code, digital transformation and the customer experience

MobileIron
Delivering secure mobile solutions in housing

Mobysoft
The transformation treadmill

Sovereign Business Integration Group
Mergers & partnerships - The role of IT in successful integrations

TechMums
Why mums are the missing link in the Women in Tech debate

Torus Group
Business and IT - Why business & technology need to be a partnership of equals

TSG
Hidden treasure - Uncovering the real value of Office 365

Wandle Housing
The 'Wow' factor: from traditional HMS to Dynamics

> "The format was excellent with the right mix of presentations and ample time to network with peers."
> AFFINITY SUTTON

> "The content and presentations were excellent!"
> SLH GROUP

> "Congratulations on another successful conference. Really enjoyed it, fantastic atmosphere, great talks and keynotes."
> COASTAL HOUSING

> "We had a fantastic conference, we talked to lots of people and everyone was so engaged. It was a great few days so we'll be back next year."
> TSG

> "The event was excellent, well run and I can't think of any way of improving it!"
> GCI

> "It's the glue in the housing sector – brilliant for networking."
> FAMILY MOSAIC

> "Thanks for making this year's conference the best yet. You keep setting the bar very high, then raising it again!"
> MUIR GROUP

> **Congratulations on a great conference. Speakers, venue, food and communications – everything was spot on.**
> PEABODY

> **This was my first Housing Technology conference and it was a goldmine of information.**
> EQUITY HOUSING

> **The event is great – this is as good as it gets.**
> TOWER HAMLETS COMMUNITY HOUSING

> **Difficult to improve – genuinely a great event with great content.**
> CIVICA

> **Another great event – keep up the good work.**
> ORCHARD

> **Everything about the event was spot on.**
> CITY WEST HOMES

> **It was really good to have presentations that were truly honest about the work that everyone's doing.**
> PEAKS & PLAINS HOUSING TRUST

> **The keynote presentations were exciting, radical and transformational. Many thanks for organising such a fabulous conference.**
> BARNET HOMES

> **The event was highly organised, well attended and thought-provoking across an invaluable range of highly pertinent topics.**
> CENTRAL NETWORKS & TECHNOLOGIES

Outline agenda

| 5-7 MARCH 2019		
TUESDAY	**WEDNESDAY**	**THURSDAY**
An informal pre-event evening drinks and canapes reception (6-8pm) for all participants, as well as the conference sponsors and exhibitors' set up.	The first full day of the event, opening with a keynote address followed by presentations from housing providers and conference sponsors, networking in the sponsors and exhibitors' areas, and closing with an optional informal dinner for all participants.	The second day will open with the second keynote address, more networking with senior IT practitioners and thought-provoking presentations, and closing at around 4pm.

Please note that guests have the option of attending both or either days of Housing Technology 2019.

Ideal location

Housing Technology 2019 returns to the Q Hotels' Oxford Belfry on the outskirts of Oxford. As an amazing venue, the Oxford Belfry is perfectly suited to the size and scope of our annual conference; Housing Technology will have exclusive use of its meeting rooms, conference facilities and bedrooms for the duration of the event.

The Oxford Belfry is just a few minutes from the M40 and close to Thame & Haddenham mainline station. There is onsite accommodation and free parking, plus a restaurant, bar, indoor swimming pool and spa, and high-speed internet access throughout.

Reserve your place today…

Registration for Housing Technology 2019 is now open.

Housing providers, local authorities, government agencies & other end-user organisations: special advanced delegate pass **£245 for one (either) day** or **£445 for both days** (plus VAT).

IT companies, consultancies and business service providers: **£995 for one day** or **£1,990 for both days** (plus VAT).

Please note all bookings are non-refundable but may be transferred to a colleague at no charge up to and including the day(s) of the event.

ABOUT HOUSING TECHNOLOGY

Housing Technology is the no.1 provider of IT, technology and telecoms news, comment, information and research specifically for the UK social housing sector.

IT STRATEGY

Established in 2006, the bi-monthly Housing Technology magazine and the annual market intelligence report are required reading for anyone responsible for IT & business strategy and delivery within the social housing sector. Subscriptions to Housing Technology are free and available online from www.housing-technology.com.

MARKET INTELLIGENCE

Housing Technology publishes a series of annual market intelligence reports, white papers and bespoke research on behalf of housing providers and IT suppliers.

COMMUNITY NETWORKING

The annual Housing Technology conference and executive forum is now well-established as the leading technology event in the social housing sector. Housing Technology also runs a number of other smaller, topic-specific seminars and events throughout the year.

RECRUITMENT

Housing Technology Recruitment is the only dedicated hub of IT-related vacancies in the housing sector. Find all your technology and management roles in one place at recruitment@housing-technology.com.
