I never saw one alive before!" said Alice.

"Well, now that we have seen each other," said the unicorn,

self service

our core IT system now has almost 1,000 users

only a few of them are ELHA staff

self service means our staff have no work to do
(or only work that adds value to the service)

that is very different from a simple digital service

what percentage of the **2,877** homehunt applicants that registered with ELHA last year applied online and went paper free?

SPECIALISED MANUFACTURED JOINERY, 28 SALTERS ROAD, WALLYFORD, MUSSELBURGH, MIDLOTHIAN, EH21 8AA

£64.75 inc VAT

The price above includes attendance by one of our friendly tradesmen to help diagnose the repair, and up to half an hour's labour if the problem can be fixed there and then.

It does not include any materials that may be required – but if we need to charge any extra for materials, or if the job will take more than half an hour, or if the problem cannot be fixed there and then and we need to arrange a further visit to complete the repair, we will agree all that with you (including a fixed price for any additional costs) before doing any of that work.
